Emergency & Recovery Award

NOMINATION FORM

Donated by GWMWater

This award recognises voluntary programs, activities and events undertaken by community organisations and groups relating to emergency and recovery that highlight and promote community safety, resilience and strength.

Selection Criteria (up to 200 words per criteria)

1. Describe the nature of the community organisation or group, and the programs, activities or events, the desired outcome, along with the role/s that volunteers played in achieving that desired outcome.
2. Describe how the community safety and resilience group's, programs, activities or events strengthened the community/ communities.
3. Discuss the benefits provided by the use of volunteers in the programs, activities and events identified, the positive contribution they make and how their efforts are recognised by the organisation or group.

4. Other relevant information.

Further Information *(This does not form part of the selection criteria)*

5. What are the key opportunities and barriers to enhancing the impact of your volunteer programs, activities or events and what support would help to overcome these barriers (if applicable).
