ABOUT US

Laneway is social enterprise which is a business that helps achieve outcomes in our community for the greater good.

Like traditional businesses we aim to make a profit but it's what we do with our profits that sets us apart – We reinvesting them to create a positive social change!

The challenge -
To support people who face social isolation and economic exclusion including significant barriers to employment.

We do this by -
Running a profitable hospitality social enterprise that provides:
Work experience
Training opportunities
Transitional support

The outcome -
Positive social development
Improved skills
Improved confidence
Improved job readiness
Increased social inclusion
Increased networks

Impact -
Increased participation
