Gardening Mentor

The Gardening Mentor role is dedicated to providing essential asset maintenance services, including gardening, cleaning, and home maintenance, to support people with disabilities and older adults in maintaining their independence. This role is crucial in enabling participants to live comfortably and safely in their own homes, fostering their autonomy and well-being.

As a Gardening Mentor, you will train, mentor, and supervise learning participants, ensuring they acquire the skills necessary to deliver high-quality maintenance services. Your guidance will be key in empowering individuals to contribute meaningfully to the community, particularly those facing barriers to employment and social inclusion.

The Gardening Mentor will:

- Train, mentor, supervise and support learning participants to provide asset maintenance services including gardening, cleaning and home maintenance.
- Support learning participants to achieve their learning goals.
- Provide support to participants, volunteers, and trainers.
- Undertake cleaning, gardening, and home maintenance.
- Facilitate appropriate training to upskill participants and volunteers in line with roles.
- Contribute to the organisational continuous improvement plan.
- Identify and assist in the solution to any communication and workflow problems observed by suggesting improvements and enhancements to existing systems and processes in accordance with Centre for Participation procedures.
- Undertake other duties and functions as directed, commensurate with current level of skills and classification.
